

2023 Virginia General Food Drive: Governor Youngkin along with The Virginia Food Industry Association (VFIA) announced a combined donation from its members totaling \$12,500 to Feed More and the Virginia Federation of Food Banks to serve as a reminder of how crucial food bank donations are to support Virginians facing food insecurity.

“Last year, we saw how these donations are vital in helping not only the Buchanan County flood victims and our food banks but also the 20% of Virginians that are suffering from food insecurity. This is a chance for all of us to go to work and help lift communities across the Commonwealth,” said Governor Glenn Youngkin.
